GENERAL PRINCIPLES APPLICABLE TO ALL PLANS

- 1. All pre-petition arrears and cramdowns shall be paid to the trustee and disbursed to creditors through the plan.
- 2. If a pre-petition creditor files a secured, priority or specially classified claim after the bar date, the trustee will treat the claim as allowed, subject to objection by the debtor. Claims filed after the bar date that are not properly served on the trustee will not be paid. The debtor is responsible for reviewing claims and filing objections, if appropriate.
- 3. In the event that any creditor in any class refuses any disbursement from the standing trustee, the standing trustee shall be authorized to disburse those funds to other creditors in the same class, or if all such similarly classified creditors have already been paid, to other creditors in the next level of priority, without seeking a modification of the plan.
- 4. If debtor is successful in obtaining a recovery in any personal injury or other litigation in which debtor is the plaintiff during the term of this plan, any such recovery in excess of any applicable exemption will be paid to the trustee as a special plan payment, in addition to debtor's regular plan payments, for the benefit of the unsecured creditors.
